# 7. Matter arising and actions from meeting on 13th May 2020

- Cllr Dalley has spoken to the developer of Malthouse Farm to discuss whether
  they may consider working with the Parish Council on extending parking opposite
  Malthouse Farm entrance, Cock Road. Work is already being carried out by the
  developer to widen the area opposite the entrance to the Malthouse Farm
  development. The Clerk has approached Wiltshire Council to ask whether it will be
  possible to have parking bays in this area.
- The Clerk has spoken with the lead of the Speedwatch Team and they will try to record the speed of tractors going through the village, as requested at the April Parish Council meeting.
- The Clerk has been told that the final finance report for the previous Village Shop
  is still not been finalised. The accountant will be in touch with the Parish Council in
  due course. J Barber has reconfirmed that the decision to close the shop was
  taken in October, not September 2019 as was originally minuted. This date has
  been amended in the minutes.
- The small re-turfed section of the Hill is being tended by the ground's contractor.

#### 8. Allotments

- Wiltshire Council has requested that no bonfires are lit during the Coronavirus outbreak in consideration of people with respiratory problems. The Parish Council has extended this to cover bonfires and barbeques at the allotments and has notified allotment holders.
- The Parish Council agreed that an Allotment Committee should be set up. The Clerk will send out letters to allotment holders to find out who would be interested in being part of the Committee.

Clerk

- It was agreed not to purchase security cameras for Sands Lane/Allotments/Playing Field at this time.
- It was agreed that the number plaques on the allotments should be replaced. J Dalley will obtain a price for this.

JD

• J Dalley will act as the allotment representative until C Stevens recovers from his recent illness.

## 9. | Planning Matters

Rowde Primary School has withdrawn its application (20/02306/VAR) to remove condition 14 (drainage) of the original planning application K/47036. Wiltshire Council has instructed them to employ a drainage team to investigate the effects of filling the ditch in and to find a remedial solution.

Spotty Dog Farm Shop, Lower Farm, Rowde, Devizes, SN10 2LX: application to sell alcohol on Sun to Sat 08:00 hrs – 18:00 hrs. The Parish Council did not have any objections.

## **Proposed Asset Transfer**

The Clerk has contacted a solicitor about the cost involved in obtaining assets from Wiltshire Council, in the main Silverlands Play area. This will cost between £1,000 - £3,000.
